Index to Civil Engineering

JANUARY—DECEMBER 1949

Issue	Page Numbers
January	1–68
February	69–152
March	153–224
April	225–296
May	297–376
June	377–456
July	457–524
August	525–590
September	591–668
October	669–738
November	739–812
December	813–892

Subject Index

AERIAL PHOTOGRAPHY
"Aerial Photogrammetry Locates Oil Wells with Pin Point Accuracy," Ralph J. McMahon . . . 315
"Aerial Survey Methods Solve Highway Location Problems in Tropics," William T. Pryor . . . 692
Aids in highway location . . . 128

AIRPORTS
"Adapting Equipment to Special Tools Cuts Cost of Resealing Airport Pavement," William R. Wallis . . . 250
Air and surface traffic coordinated at Idlewild . . . 55
"Approach Light Piers Mark Glide Path at Idlewild Airport" . . . 605
Effect of engine vibration on runways . . . 124
Expansion of Newark Airport is announced . . . 499
Expressways to cut travel time . . . 436
Fog dispeller tested at Los Angeles airport . . . 350
Hangar to be built at N. Y. International Airport . . . 272
Multiple-wheel landing gear recommended . . . 644
"Phoenix Reconstructs Its Sky Harbor Airport," Walter Johannessen . . . 461
Research to save Pensacola Naval Air Station . . . 570
"Skillful Design and Careful Administration Cut Airport Costs," Elwyn E. Seelye . . . 616
Discussion by author . . . 844
See also Hangars

ALUMINUM
"First All-Aluminum Arch Bridge Nears Completion" . . . 825
For schools in Great Britain . . . 434
"Wide Span All-Aluminum Roof Supports Brick Test Load of 27 Lb per Sq Ft" . . . 460

AMERICAN SOCIETY FOR ENGINEERING EDUCATION
Middle Atlantic Section meets . . . 126

AMERICAN SOCIETY OF CIVIL ENGINEERS
Annual Report
Summarized by Secretary Carey . . . 106
Awards and Prizes
Announced by Board . . . 853
Daniel W. Mead Prize competition announced . . . 632
J. Waldo Smith Fellowship available . . . 420
J. Waldo Smith Hydraulic Fellowship to R. J. Kennedy . . . 48
J. Waldo Smith Prize to Joseph C. Kent . . . 702
James W. Rickey Gold Medal awaits first award . . . 634
John Fritz Medal to Walter Hull Aldridge . . . 785
Moisseiff Award activated . . . 488
Prizes awarded at 1949 Annual Meeting . . . 35
See also Awards and Prizes
Badges
Fifty-year policy limits use of . . . 703
Lapel pin authorized . . . 193
Small lapel pin can be ordered . . . 560
Ballots
Final ballot for 1949 officers . . . 107
First ballot for 1950 officers . . . 634
Second ballot for 1950 officers . . . 784
Board of Direction
Abstract of Annual Meeting . . . 105
Abstract of Apr. 17–18 meeting . . . 339
Actions at Washington, D.C., meeting . . . 848
Appoints two new Directors . . . 341
Secretary notes actions at Mexico City . . . 555
Budget
Financial operations for 1948 shown . . . 260
Centennial
Celebration planned . . . 190
Civil Engineering
Allen Wagner resigns from staff . . . 259
Index for 1948 available . . . 110
Obituaries replace Memoirs . . . 257
"Plowing in the Profits" . . . 191
Code of Ethics
Copies of engineer's creed available . . . 260
Revised by Board . . . 857
Constitution
"Revision of ASCE Constitution Proposed," Arthur W. Harrington . . . 781
Education
"A Brief Bibliography on Engineering as a Career" distributed . . . 784
Delegates Attend UNESCO Conference . . . 259
Executive Secretary
Recommends Engineers to bonding businesses . . . 258
Fees
See Salaries and Fees of Engineers
Honorary Members
Five elected in 1949 . . . 40
Five elected by Board for 1950 . . . 855
Insurance
First member claim paid . . . 786
Group plan of disability insurance adopted . . . 411
Questions answered about group plan . . . 561
Life Members
List of additions on Jan. 1 . . . 194
Local Sections
Branches established . . . 260
California Sections hold Second Annual Conference in San Diego . . . 109, 190, 338
"Colorado Section Forms Local Technical Divisions," August L. Ahlf . . . 856
Conference in Washington, D.C. . . . 855
Conference scheduled for Washington, D.C. . . . 703
First eastern regional conference . . . 486
Metropolitan committee to advise on N.Y.C. zoning . . . 189
Metropolitan Section's Junior Branch sponsors lectures . . . 788
Metropolitan Section's Junior Branch sponsors tour . . . 491
Mid-South forms branch in Jackson, Miss. . . . 635
Oregon Section committee to study earthquake . . . 635
Pacific Northwest Sections hold first regional conference . . . 410
Requested to appoint Committees on Technical Activities . . . 856
To form council in District 9 . . . 699
Manuals
Hydrologic literature in addition to Manual of Hydrology . . . 702
Hydrology Manual to be issued as text . . . 489
No. 28, Hydrology Handbook issued . . . 561
Meetings
Annual Meeting, 1950, date set . . . 783
Annual Meeting, 1950, program . . . 813
1949 Annual Meeting previewed . . . 34
Annual Meeting 1949, reviewed . . . 103
Annual Meeting 1949, Technical Division Sessions reviewed . . . 75, 77, 78, 83, 84, 95
Mexico City Summer Convention previews . . . 255, 340
Mexico City Summer Convention program . . . 377
Mexico City Summer Convention review . . . 554
Mexico City Technical Division sessions reported . . . 537
Mexico Convention lauded, Carlton S. Proctor . . . 189
Oklahoma City Spring Meeting preview . . . 256
Oklahoma City Spring Meeting program . . . 153
Oklahoma City Spring Meeting review . . . 337
Oklahoma City Spring Meeting Technical Division Reports . . . 313, 317, 319, 322, 328, 329, 330, 331
"Tips to Members Attending ASCE Convention in Mexico City," Robert B. Brooks . . . 412
Washington, D.C., Fall Meeting previews . . . 487, 562, 631, 701
Washington, D.C., Fall Meeting program . . . 591
Washington, D.C., Fall Meeting review . . . 845
Washington, D.C., Fall Meeting Technical Division sessions reviewed . . . 743, 752, 756, 757, 761, 774, 775, 776
Members
Honored at Wisconsin U. Centennial . . . 436
Honored by Union College . . . 258
Membership
List to be issued in place of Yearbook . . . 632
Reinstatements and resignations listed . . . 48, 109, 193, 261, 342
Women members increase . . . 257
Membership Certificate
Identity of figure on, suggested in discussion by J. H. Granbery . . . 336
Nominees
Biographies of, for office in 1950 . . . 849
Officers
Honor Past-President Tuttle . . . 192
President
Ernest E. Howard nominated . . . 560
Inaugural address of Franklin Thomas . . . 102
Report by R. E. Dougherty on Joint Orientation Conference on National Military Establishment . . . 45
Proceedings
Abbreviation of discussions is opposed in discussion by Louis Balog . . . 187
Public Relations
Allen Wagner resigns as manager . . . 259
Publications, miscellaneous
Glossary of Water Use near completion . . . 110
Glossary on water terms available . . . 259
Value of contributing to local libraries discussed by Fred A. Camp . . . 485
Salaries and Fees of Engineers
Advanced for Puerto Rico . . . 257
"Interim Report: A Method of Estimating Fees for Professional Civil Engineering Services" . . . 557
Interim Fee Report revised by Board . . . 854
Salary plan for Government of Puerto Rico published . . . 786
Studied by Allen P. Richmond, Jr., in Puerto Rico . . . 44
Staff
Allen Wagner resigns as Public Relations Manager . . . 259
J. H. Ehlers to represent Society in Washington, D.C. . . . 193
Student Chapters
Eleven regional spring conferences of . . . 413
Metropolitan Conference aids student employment . . . 257
Receive commendation of Board of Direction . . . 488
Technical Divisions
Local Section Committees on Technical Activities requested . . . 856
Transactions
Vol. 114 issued . . . 786
Yearbook
Membership list to be issued in Jan. 1950 . . . 632

AMERICAN SOCIETY FOR ENGINEERING EDUCATION
College placement code adopted by . . . 487

AQUEDUCTS
"Delaware Aqueduct to Increase New York's Water Supply Fifty Percent," Roger W. Armstrong . . . 69
Scale Model of Colorado River Aqueduct . . . 56

ARCTIC, ENGINEERING IN
"Low Temperatures in Inaccessible Arctic Inflate Construction Costs," C. M. Spofford . . . 12
"Steam Heated Conduits—Utilidors—Protect Service Pipes from Freezing," W. L. Hyland and M. H. Mellish . . . 15
Discussion by Harold H. Jones . . . 485

ATOMIC ENERGY
AEC lets Arco, Idaho, contracts . . . 793
AEC to build reactor plant in Idaho . . . 642
AEC to expand research facilities at Oak Ridge . . . 500
Atomic Energy Commission seminar . . . 201
"Atomic Energy Town of Richland, Wash., Grows from 250 to 25,000 Population," David J. Brumley . . . 391
"Learning to Live with Atomic Radiation—a Challenge to Engineering Profession," Arthur E. Gorman . . . 824
Natural gas pipeline for Oak Ridge Plant . . . 864
"Safe Disposal of Radioactive Wastes," Arthur E. Gorman . . . 169
Safety program at Brookhaven National Lab. . . . 270

AWARDS AND PRIZES

Alfred Noble Prize to John C. Fisher . . . 858
Alfred Noble Prize to Robert L. Hoss . . . 48
Dam Club of C.C.N.Y. sponsors prize contest . . . 418
Hoover Medal to Frank B. Jewett . . . 786
Marston Medal to Wilbur M. Wilson . . . 502
Moles' 1949 awards given . . . 202
Moles' 1950 construction awards . . . 866
Prizes in AASHO essay contest . . . 502
Washington Award to John L. Savage . . . 192, 342
See also American Society of Civil Engineers (Awards and Prizes), and Welding

BANKS

"Drive-In Bank Does Brisk Business in Houston, Tex.," Cyril S. Adams . . . 550

BEAMS

"Approximate Influence Lines Aid in Design of Continuous Beams," A. A. Brielmaier 777
"Chart Determines Constants for Gabled Beams in Reinforced Concrete Design," Arthur F. Liebscher . . . 630
"Graphical Calculus Solves Three-Span Beam Problem," Brent C. Jacob . . . 101
"Prestretching Increases Strength of Steel T-Beams in University of Iowa Tests," Ned L. Ashton . . . 182
"Solution Presented for Trapezoidal Loading on Beams," Elihu Geer . . . 483
Discussion by Paul Rogers . . . 698

BONDING

See Insurance

BRICK

Record-breaking production of clay products . . . 274

BRICKLAYING

"Improved Bricklaying Technique Prevents Leakage," Joseph R. Farrell . . . 184
Discussion by S. T. Goldsmith . . . 485

BRIDGES

AISC awards for steel bridges . . . 708
Army approves Narrows suspension span . . . 500
Army Engineers restore Braelo Bridge in Greece . . . 644
"Army Engineers Save Summit Bridge," F. F. Frech . . . 457
Discussion by Henry L. McMillan . . . 553
"Bents Pivoted on Bottom Pins Permit Easy Erection of Girder Bridge" (Rock Creek, Calif.), Wendell F. Pond . . . 18
"Builders of Penn-Lincoln Parkway East Solve Complex Design and Construction Problems," symposium by Schmidt, Richardson, Singstad, Fuller (Dec. 1948) Discussion by Michael Baker, Jr. 253
California approves parallel Bay crossing . . . 356
"Chicago's Newest and Heaviest Bascule" (Bataan-Corregidor Memorial Bridge) . . . 549
"Concrete Arch Carries Sharply Curved Highway Over 70-Ft Ravine" (East Fork City Creek, Calif.), C. H. Darby . . . 612
"Construction Starts on Prestressed Concrete Bridge in Philadelphia," E. R. Schofield . . . 472
"Contractor Meets Close Design Tolerances in Building Long-Span Concrete Arch (Podolsko) Bridge," J. J. Polivka . . . 28
Discussion by L. J. Mensch . . . 188
Discussion by George S. Richardson . . . 253
Discussion by Louis Balog . . . 409
Discussion by J. J. Polivka . . . 254, 553
Covered, not obsolete . . . 130
Double-deck across Mystic River . . . 868
Double-leaf swing span in Virginia . . . 570
"Eighty-Year-Old Bridge Carries Highway Traffic" . . . 679
"Evaluation of Travel Habits Forms Basis for $322,000,000 Boston Expressway Plan" (Mystic River Bridge), William H. Buracker . . . 6
First All-Aluminum Arch Bridge Nears Completion . . . 825
"First Aluminum Bascule Bridge in Great Britain Connects Docks at Sunderland" . . . 73
"Forty-Million-Dollar Suspension Bridge to Link Delaware and New Jersey," Homer R. Seely . . . 762
Hearing held on proposed Narrows suspension span . . . 124
Kingston-Rhinecliff Bridge approved by N.Y. State . . . 565
"Long Concrete Arch (Svinesund) Bridge Connects Norway and Sweden" . . . 336
Monongahela River Bridge model tested . . . 210
"New Loading Advocated for Highway Bridges," T. Y. Lin . . . 251
"Parallel Bridge Recommended for San Francisco Bay Crossing" . . . 11
"Prestressed Concrete Used for Boldly Designed Structures in Europe," E. R. Schofield . . . 596
"Prestressed Girder for Walnut Lane Bridge Ready for Test to Failure" . . . 687
Severn Bridge tested in wind tunnel . . . 134
Single-column bridge bents offer minimum hindrance to Alameda Creek flow . . . 480
Truman Bridge receives AISC award . . . 499
"Unique Two-Barge Technique Expedites Placing of Cofferdam Bracing for (Monongahela River) Bridge Piers," L. L. Brink, Jr. . . . 240
U.S. builds 2,068 new steel bridges . . . 126
"Why Bridges Fail in Floods," C. J. Posey . . . 94
York River Bridge contract awarded . . . 792

BUILDING CODES

Basic codes near completion . . . 55

BUILDING RESEARCH ADVISORY BOARD

"Coordinating Agency Initiates Program to Stimulate Research Toward Lower Costs and Better Building," C. F. Rassweiler . 836

BUILDINGS

Aluminum schools in Great Britain . . . 434
Army and VA conduct large hospital building program . . . 504
Bids asked on Veterans' hospitals . . . 709
Civic Center proposed for Chicago . . . 566
Costs reduced by modular coordination . . . 278
"Drive-In Bank Does Brisk Business in Houston, Tex.," Cyril S. Adams . . . 550
"Efficient Concreting Speeds Warehouse Construction," Ray Nunez . . . 614
Excavation for UN headquarters . . . 274
Federal building practice improved . . . 710
General Motors starts huge technical center 71
"Improved Bricklaying Technique Prevents Leakage," Joseph R. Farrell . . . 184
Discussion by S. T. Goldsmith . . . 485
"Many Openings in Factory Floor Lead to Choice of Flat-Slab Construction," Walter H. Wheeler . . . 478
Modern plant for electronics manufacture . . . 56
R. E. Dougherty to serve on White House renovation . . . 432
"Special Foundations Support Mexico City's Buildings on Highly Compressible Clay," Pedro Albin, Jr. . . . 533
Steel erection starts on UN Secretariat . . . 350
Steelwork for UN Secretariat in place . . . 640
Veterans Administration gives contract for $7,000,000 hospital . . . 794
White House contract awarded . . . 864
White House Renovation Commission . . . 632
"White House Renovation Project Preserves Original Features of Historic Structure," W. E. Reynolds . . . 754
See also Building Research Advisory Board, Foundations, Housing, Laboratories, and Roofs

CAISSONS

"Steel for Tunnel Ventilating Shaft Is Erected from Top Down," Ralph Smillie 545

CANALS

"Careened Drydock Passes Through Panama Canal Locks," E. J. Quirin . . . 602
Corinth Canal restored to service . . . 272
Report of Governor of Panama Canal available . . . 55
"Tungsten Carbide Core Bits Expedite Subsurface Explorations in Canal Zone," Thomas F. Thompson . . . 481
USBR Awards contract for Wellton-Mohawk Canal . . . 708

CEMENT

Film on making of, available . . . 714

CHANNELS

"Open and Closed Channels Designed by Short-Cut Method," Francis Bates . . . 551

CHIMNEYS

"Chimney Specially Designed to Serve Hangar Heating System," Harold B. Schneider . . . 91

CITY PLANNING

Local Section committee to advise on New York City zoning . . . 189

COFFERDAMS

"Mile-Long Cofferdam Withstands 75-Ft Head in Chain of Rocks Project" (Mississippi River), E. E. White . . . 404
"Sheetpile Cofferdam of 97-Ft Diameter Built Without Cross Bracing" . . . 243

COLUMNS

"Formulas Simplify Design of Concrete Columns Under Axial Load and Skew Bending," Carl C. H. Tommerup (Nov. 1948) Discussion by A. D. Kalivopoulos . . . 188
Closure by Carl C. H. Tommerup . . . 409

CONCRETE

"Air-Entrainment Decreases Scaling on Ohio's Highway Pavements," R. R. Litehiser and J. R. Barbee . . . 606
ACI officers for 1949 . . . 270
Annual award by Concrete Reinforcing Steel Institute . . . 356
"Automatic Batchers Add Ice to Concrete Mix for Fort Gibson Dam," C. H. Chorpening . . . 305
Bibliography on prestressed concrete issued by Engineering Societies Library
"Chart Determines Constants for Gabled Beams in Reinforced Concrete Design," Arthur F. Liebscher
"Concrete Arch Carries Sharply Curved Highway Over 70-Ft Ravine," C. H. Darby
"Concrete-Spliced Wood Piles Answer Need for 55-Ft Lengths in Venezuelan Dock," Robert G. Dyktor
"Construction Starts on Prestressed Concrete Bridge in Philadelphia," E. R. Schofield
"Continuously Wound Wire Prestresses 180-Ft-Dia Concrete Water Tank"
"Contractor Meets Close Design Tolerances in Building Long-Span Concrete Arch (Podolsko) Bridge," J. J. Polivka
Discussion by L. J. Mensch
Discussion by George S. Richardson
Discussion by Louis Balog
Discussion by J. J. Polivka . . . 254
Council on Reinforced Concrete Research meets
"Efficient Concreting Speeds Warehouse Construction," Ray Nunez
Gunite utilized in dome construction
Placing method tested by Corps of Engineers
"Plastic Flow of Concrete Relieves High-Load Stress Concentrations," Robert F. Blanks and Douglas McHenry
Prestressed concrete girder tested to failure
"Prestressed Concrete Used for Boldly Designed Structures in Europe," E. R. Schofield
"Prestressed Girder for Walnut Lane Bridge Ready for Test to Failure"
"Remodeled Concrete Mixer Boat Produces 80 Cu Yd per Hour"
"Thin Concrete Arch Roof Provides 340-Ft Clear Span for Bomber Hangar," Louis W. Prentiss
"Thin-Shelled Cast-in-Place Concrete Piles Driven 102 Ft," Hal W. Hunt
Waterways Experiment Station expands concrete research

CONDUITS

"Steam Heated Conduits—Utilidors—Protect Service Pipes from Freezing," W. L. Hyland and M. H. Mellish
Discussion by Harold H. Jones

CONSTRUCTION

Construction Cost

"Construction Cost Controls Shows Efficiency of Men and Machines," H. P. Maxton
Decline reported by AGC
Drop in, predicted
"Low Temperatures in Inaccessible Arctic Inflate Construction Costs," C. M. Spofford
Discussion by Harold H. Jones

Construction Equipment

"Adapting Equipment to Special Tools Cuts Cost of Resealing Airport Pavement," William R. Wallis
Belt transports Bull Shoals Dam aggregate
Dragline moved by portable power
"Header Assembly Permits Grouting Against High Hydrostatic Pressures," George T. Evans
Rail-Mounted Equipment Speeds Concreting of Aspen Tunnel
"Remodeled Concrete Mixer Boat Produces 80 Cu Yd per Hour"
Shovel capacity increased
Straddle truck speeds pipe laying
Traveler places steel forms to facilitate lining of Saltsburg Tunnel
"Tungsten Carbide Core Bits Expedite Subsurface Explorations in Canal Zone," Thomas F. Thompson
World's biggest stone crusher

Construction Industry

British builders inspect U.S. methods
British builders praise U.S. methods
Building industry declared partially readjusted
"Construction Engineer Builds Organization for Awarding Agency," John C. Page
Construction Men's Association certifies employees
"Point IV Program to Lean Heavily on Private U. S. Engineering and Contracting Firms," Samuel P. Hayes, Jr.
Thirtieth Annual Convention of AGC
Discussion by Walter L. Couse
See also department, Construction Roundup

Construction Volume

City building construction for first half of 1949
Current status reported . . . 53, 120, 348, 430, 498, 565, 639, 707, 793
1948 construction in cities at 21-year high
1948 materials production exceeds peak
Production of building materials at peak

Record new construction in 1949 foreseen . 568
Rise in east of Rockies 430

CORE DRILLING

"Tungsten Carbide Core Bits Expedite Subsurface Explorations in Canal Zone," Thomas F. Thompson 481

DAMS

"Air Entrained in Fast Water Affects Design of Training Walls and Stilling Basins," D. B. Gumensky 831
"Arch Dam Conserves Water for Vail Ranches," Earl Hagadorn 688
Army Engineers start Belton Dam . . . 640
"Automatic Batchers Add Ice to Concrete Mix for Fort Gibson Dam," C. H. Chorpening 305
"Constructors Roll Nearly One Million Yards a Week Into Garrison Dam," J. S. Seybold 680
"Contract Awarded for 9,540-Ft-Long Lavon Dam near Dallas, Tex." 229
"Diversion Tunnel and Core Wall at Downsville Near Completion," John S. Macdonald 74
Downsville Dam construction site flooded . 124
"Eighteen Million Cubic Yards of Earthfill Forms Texas Flood Control Dam" (San Angelo) 23
"Field Bearing Tests Verify Laboratory Findings" (for Agua Fria Dam, Venezuela), Evan W. Vaughan 676
"Finland Meets Acute Power Shortage by Comprehensive Development of 68-Mile Rapids," Osmo Korvenkontio 608
Fourth International Conference on Large Dams in New Delhi, India 783
Garza-Little Elm Dam started 57
"Grouting Contraction Joints in Dams Controls Cracking and Seepage," Judson P. Elston 624
"Header Assembly Permits Grouting Against High Hydrostatic Pressures," George T. Evans 408
"India Taps Enormous Water and Power Resources," A. V. Karpov 235
"Mexico Builds Irrigation Dams to Suit Local Conditions," J. Vicente Orozco . . 525
"Model Predicts River Action During Construction of Huge Ramapadasagar Dam" 238
Papers from Large Dams Congress in Stockholm available 646
Progress on Morgantown Lock and Dam . . 432

DOCKS

"Oil-Loading Docks in Venezuela Built of Welded Steel," Theodore T. Knappen . . 173
See also Ports and Maritime Structures

DRYDOCKS

"Careened Drydock Passes Through Panama Canal Locks," E. J. Quirin . . . 602
"Dutch Side-Haul Railway Drydock Speeds Assembly of Prefabricated Barges," J. Stuart Crandall 468

EARTHQUAKES

ASCE Oregon Section committee to study . 635
California engineers propose new lateral-force code 868
"Formulas Indicate Earthquake Forces in Design of Ring-Girder-Supported Pipes," H. Alden Foster 697
Survey of Seattle earthquake damage . . . 642

ECONOMICS

"Construction Cost Control Shows Efficiency of Men and Machines," H. P. Maxton 1
Economic Cooperation Administration sees rapid recovery of European transportation 499
Point IV Program to Lean Heavily on Private U. S. Engineering and Contracting Firms," Samuel P. Hayes, Jr. 760
Twentieth Century Fund reports long-term advance 570

EDUCATION

Exchange fellowships offered for study abroad 798
"In-Service Training Urged to Supplement Formal Engineering Education," Charles B. Molineaux 529
"Pendulum Swings Toward Broadening of Curricula in Engineering Education," Harold E. Wessman 242
Discussion by Eric Fleming 409
Discussion by Michael Yatsko . . . 484
"Related Fields Are Absorbing Surplus of Engineering Graduates," H. W. Case, W. P. Wallace, and L. M. K. Boelter . . 530
RPI celebrates 125th anniversary . . . 804
UNESCO compiles international fellowships 205
UNESCO conference scheduled for Cleveland 204
See also American Society for Engineering Education and department, "New in Education"

EMPLOYMENT

Coast Guard offers commissions 434
Construction contract employment drops . 872
Construction employment up in August . 714
Construction Men's Association certifies employees 568
Contract construction employment rise . 640
EJC survey shows down trend in, for 1949 graduates 420
Industrialists advised to hire good technical men 644
"In-Service Training Urged to Supplement Formal Engineering Education," Charles B. Molineaux 529
N. Y. Board of Water Supply expands forces 504
"Related Fields Are Absorbing Surplus of Engineering Graduates," H. W. Case, W. P. Wallace, and L. M. K. Boelter . 530
See also department, "Positions Announced"

ENGINEERING FOUNDATION

Former Director Colpitts dies 261

ENGINEERING SOCIETIES LIBRARY

ASCE files papers in 490
Bound volumes of *Engineering Index* wanted 44
Conducts survey 48
Issues bibliography on prestressed concrete 130
Originates new photoprint service . . . 800
Reduces book loan rates 700

ENGINEERS COUNCIL FOR PROFESSIONAL DEVELOPMENT

Booklet assesses engineers' qualifications . 788
Issues professional guide for junior engineers 418
Program improves status of engineering . . 632

ENGINEERS JOINT COUNCIL

Considers affiliation with UPADI 700
Forms Committee on Engineers in Civil Service 487
Labor Legislation Panel testifies before House committee 261
Legislative Panel recommends keeping professional provisions in Labor Law . . . 191
Organizational meeting addressed by Malcolm Pirnie 108
Organizes Labor Legislation Panel . . . 109
Participates in Second National UNESCO Conference 341
Recommends approval of constitution . . . 192
Survey shows down trend in employment of 1949 graduates 420
Surveys profession for Office of Naval Research 488

FIRE PROTECTION

Fire-retardant building stressed at NFPA meeting 506
Publications available 642

FLOOD CONTROL

Corps of Engineers warns of flood threat . 272
Costs put at more than seven billion . . 500
"Has the Small-Area Flood Been Neglected?" Lloyd L. Harrold 690
Relief wells aid in 436

FLOORS

"Many Openings in Factory Floor Lead to Choice of Flat-Slab Construction," Walter H. Wheeler 478

FOREIGN ENGINEERING WORKS

Destroyed Greek facilities restored . . . 352
"Finland Meets Acute Power Shortage by Comprehensive Development of 68-Mile Rapids," Osmo Korvenkontio . . . 608
Great Britain develops projects in Africa . 501
"India Taps Enormous Water and Power Resources," A. V. Karpov 235
"Model Predicts River Action During Construction of Huge Ramagadasagar Dam" 238
"Philippines Initiate Program of Hydroelectric Construction," Filemon C. Rodriguez 465
Sutlej River Power project, India 350

FOUNDATIONS

"Charts for Footing Design Developed from Studies of Soil Bearing Capacity and Settlement," George F. Sowers . . . 183
"Many Openings in Factory Floor Lead to Choice of Flat-Slab Construction," Walter H. Wheeler 478
"Special Foundations Support Mexico City's Buildings on Highly Compressible Clay," Pedro Albin, Jr. 533
"Tungsten Carbide Core Bits Expedite Subsurface Explorations in Canal Zone," Thomas F. Thompson 481
See also Buildings and Soil Mechanics

GRADE SEPARATIONS
